PROFESSIONAL EXPERIENCE

KPMG | Mumbai

Consulting Intern - Technology & Data Analytics | May 2026 – Present

Client: Sony Entertainment

- Architected an automated Python ETL pipeline for raw BARC data across 3+ weeks of data, eliminating manual processing and accelerating SQL ingestion for enterprise reporting.
- Redesigned C-suite dashboards in SAP Analytics Cloud (SAC) using Canvas mode, improving filter responsiveness and real-time data accessibility by more than 80%.
- Mapped complex integration architecture between SAP environments and Microsoft Data Fabric, guiding the client's cross-platform data modernization strategy.
- Solely owned critical CEO dashboard data feeds, successfully bridging heavy Python backend engineering with high-level corporate strategy.

TeacherOn + YoungThinks | Remote

Academic Tutor & Research Mentor | July 2024 – Present

- Mentored 50+ International Baccalaureate (IB) students across Economics and Business Management, resulting in consistent grade improvements by at least 2 grade points.
- Guided students through the research methodology for Extended Essays, ensuring the successful submission of final research papers across 3 distinct subjects.

Yokohama Off-Highway Tyres | Mumbai, India

Data Analyst Intern | June 2023 – July 2023

- Conducted data mining and cleaning on 10 competitor product portfolios to identify critical market gaps across 200+ SKUs.
- Analyzed pricing datasets to formulate strategic recommendations, highlighting potential revenue opportunities in the company's existing portfolio.
- Streamlined the competitor data consolidation process utilizing Python scripts & Excel macros, reducing manual data entry time and improving dataset accuracy for the strategy team.

LEADERSHIP & ACADEMIC PROJECTS

SHASTHRARTH 2025 (NMIMS Mumbai) | *Research and Development Head of Department*

- Orchestrated the logistics and operations for the SAMVAAD, NMIMS SAMSOE's first Model United Nations (MUN) event with 100+ participants, managing communication with participants, and designing and coordinating committee sessions.
- Formulated 50+ Oxford-level debate motions for debate sessions with 20+ participating colleges across Mumbai.

NIGHTWALK FASHION (E-Commerce Brand) | *Founder*

- Founded and scaled a pan-India D2C (Direct-to-Consumer) fashion brand specializing in original graphic apparel.
- Achieved operational break-even within the first 2 months of launch through optimized pricing and targeted marketing.
- Maintained a robust 30% profit margin across all operations while pioneering a purpose-driven model that directs 50% of annual profits to educational development initiatives.

Economic Analysis Reports | *Researcher*

- South Africa Economic Development (2025): Authored a comprehensive report analyzing South Africa's macroeconomic indicators, evaluating the efficacy of post-apartheid development policies.
- Mumbai (2025): Analyzed market structure and pricing dynamics in unregulated street food sectors, identifying characteristics of monopolistic competition.
- India Clean Energy (2024): To what extent has the Faster Adoption and Manufacturing of (Hybrid &) Electric Vehicles in India - Phase 2 (FAME II) Policy been effective in promoting the use of Electric Vehicles (EVs) in India?
